No part of this publication may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopy, recording, or any information storage and retrieval system, without permission in writing from the copyright owner.

The appearance of the code at the bottom of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use, or for the personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per copy fee through the Copyright Clearance Center, Inc. (21 Congress Street, Salem, Massachusetts 01970), for copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Copy fees for pre-1981 articles are the same as those shown for current articles.

THE FIRST IN-DEPTH ANALYSIS OF THE COMPLEX ECONOMIC ISSUES AFFECTING THE SUPPLY AND DEMAND FOR ENERGY

Energy Economics and Policy

JAMES M. GRIFFIN and
HENRY B. STEELE
University of Houston

An incisive, up-to-the-minute study of the impact of various policies on the supply and demand for energy—particularly petroleum.

ENERGY ECONOMICS AND POLICY examines:

- the OPEC cartel—its actions and policy responses
- environmental issues affecting the energy supply
- the national security dilemma
- energy conservation
- price controls—theory and consequences
- the technology and elementary physics of energy
- the economic theory of resource allocation of nonrenewable energy sources
- actual and optimal industrial structures
- current research and development prospects for new energy sources
- recommendations for new policy directions.

How To Comply With The New Copyright Law

Participation in the Copyright Clearance Center (CCC) assures you of legal photocopying at the moment of need. You can:

Fill requests for multiple copies, interlibrary loan (beyond the CONTU guidelines), and reserve desk without fear of copyright infringement.

Supply copies simply and easily from registered publications. The CCC's flexible reporting system accepts photocopying reports and returns an itemized invoice. *You need not keep any records,* our computer will do it for you.

The Copyright Clearance Center is your one-stop place for on-the-spot clearance to photocopy for internal use. You will never have to decline a photocopy request or wonder about compliance with the law for any publication registered with the CCC.

For more information, just contact:
